5. **PADDOCK BOOTS or STURDY LACE-UP BOOTS WITH HARD SOLE AND HEELS**-no riding in sneakers, loafers, etc.

These camps are designed to teach beginner and intermediate riders the skills of English horse-back riding, the basics of horse care, and safety around the barn. Riding opportunities (twice daily for week 1) include structured lessons, trail rides and games on horseback. The campers also spend time with arts and crafts, informational and practice sessions regarding special horse care skills, and time to prepare for Friday afternoon's horse show. The 5-7 yr olds invite observers to see them ride during camp on Friday.

### **About our program:**

This is our 15<sup>th</sup> year of summer camps, and they have a reputation of being both very fun and instructional and we are always fortunate to enjoy many repeat campers. This year, we are only offering a limited number of weeks - contact us soon to reserve a place!

### **About our staff:**

Julie Lindow, has over 20 years of teaching experience, including a 4 yr degree in Equestrian Science. She has successfully trained beginners through advanced jumper riders. Stacy Anderson had horses and has been riding since childhood; she currently teaches lessons at SCF. The teacher to instructor ratio is on average 1:5.
